

Forging Ahead... Evidence to Innovation

Saint Elizabeth Health Care
Conference 2008

celebrating

100 years

March 6-7, 2008
Hilton Hotel, Toronto, ON

OBJECTIVES

The objective of this event is to celebrate our centennial year and to promote the use of research, evidence and innovation at the individual, organizational and systems levels of health care.

PROGRAM THEMES

Systems Level: Policy

- Exploring how research, evidence, and innovation are being used to inform policy and the future of health care

Organizational Level: Culture

- Fostering an organizational culture that supports the use of research, evidence and innovation

Individual Level: Consumerism and Technology

- Examining how technology and consumer empowerment are leading to innovations in the delivery of health care

HOST

This event is hosted by Saint Elizabeth Health Care. Please visit www.saintelizabeth.com for more information
