

Social Responsibility comes in all forms.
Drinking responsibly is definitely one.
Supporting family caregivers is another.

For 100 years, Saint Elizabeth Health Care has been empowering people with the care and information they need to take control of their health in their own homes and communities. Throughout November 2008, the Saint Elizabeth Health Care Foundation will have donation boxes at cash registers in every LCBO store across Ontario. Funds raised will go in support of the Foundation's *Caregiver Support Program* and the more than three million Canadians now caring for an elderly or chronically ill relative at home.

Please give generously.

TOGETHER, anything is possible.
